Greetings!

South Central Missouri Community Action Agency would like to invite you to attend a Focus Group meeting that will be held on (Insert Date) , at (insert time) at (location details).

We will be discussing data, statistics and other information specific to (Insert County Name) County. We are in the process of drafting a Comprehensive Community Needs Assessment for our agency. This process is done every three years, and assists us in identifying gaps in needs and services in the counties served by our agency, as well as assets, resources and strengths in the area. We use this information to plan our future programs and services, and determine future strategies and interventions.

With your knowledge of the community, we hope that you will participate in the Focus Group. Your input is vital to the Needs Assessment process!

We look forward to working with you!

Sincerely,

Ginger Hill, Community Services Director
SCMCAA
