

**Public Service Announcement**  
**July 9, 2018**

The mission of **South Central Missouri Community Action Agency** is to assist people in becoming self-sufficient. Working toward this goal, SCMCAA and its community partners will be hosting ***School Readiness Events*** in each of the seven SCMCAA counties.

The **SCMCAA School Readiness Event** consists of many different organizations in the community with services for low income families. Children registered for the event receive free age appropriate school supplies, including backpacks, paper, folders, glue, pens and pencils. In addition, health screenings are completed on the children.

Pre-registration is encouraged and you may register by coming into any South Central Missouri Community Action Agency office and providing proof of social security numbers for the Head of Household and all children registering for the program.

If your community organization would like to have a booth or you would like to volunteer, please contact your local office. Donations are needed for the following supplies and can be dropped off at any SCMCAA office.

- Facial tissue
- Colored dry erase markers
- Hand sanitizer
- Clorex wipes
- Ziploc bags
- Hari cut coupons
- Ear buds
- Highlighters
- Mechanical pencils
- Sock
- Gym shoes
- Graph paper
- Ink pens, all colors
- Pencils
