

For Immediate Release
May 25, 2023

Contact: Gary Nichols Weatherization Director
(573) 325-4255

South Central Missouri Community Action Agency is accepting bids from contractors who have the capability to furnish and install exhaust fan and duct ventilation to comply with the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) Standards 62.2-2013. Such exhaust fan and duct ventilation should be equivalent to or exceed *Panasonic 80 cfm Whispergreen*.

We are requesting bids on an estimated production of 48 homes within a twelve month period. These homes are distributed throughout our seven county service delivery area of Butler, Carter, Dent, Reynolds, Ripley, Shannon and Wayne. Funding is provided by the US Department of Energy and Administered by the Missouri Department of Economic Development/Division of Energy. Additional funding is provided by the Low Income Home Energy Assistance Program, Ameren UE, Laclede, Liberty and Missouri Housing Development Commission.

If you are interested and would like to request a bid package contact: Gary Nichols Weatherization Director, SCMCAA, P.O. Box 6, Winona, MO 65588, or call 573/325-4255, and/or download bid packet from the agency's website www.scmcaa.org.

Sealed bids must be received no later than 1:00 p.m. on June 26, 2023.
